

## Making Glitter Paper

### Ingredients:

- **Sookwang** doublesided tape (Caution: not all brands of tape will hold glitter)
- **Glitter Ritz Transparent Micro Fine Glitter - Warm /Cool Highlight** (only glitter we use, velvet soft, won't harm your marker)
- White or Patterned cardstock

### Instructions:

Adhere one side of Sookwang tape to white or patterned cardstock. Remove protective layer on other side of Sookwang tape. Sprinkle glitter over entire sticky tape. Tap off excess glitter. If desired, use a brayer over glitter to press into tape. Before using, burnish (rub) glitter paper with fingers to make smooth and add bling from oils in fingers!
